**Today we welcome
Wade Nolan**

As a biologist, producer, and world-wide adventurer, Wade Nolan's trail takes him all over the world, working with professional hunters and wildlife researchers. His work has been seen on ABC, NBC, CBS, Discovery, Animal Planet, and National Geographic TV. God uses Wade's experience to speak to the hearts of men. He is often speaking at wild game dinners and men's retreats, encouraging his audience to receive the Savior and challenging them to be “dangerous for good.”
